

CLAIM & RACE WITH JR CALDWELL VENTURE

Here's an opportunity to partner with JR Caldwell, one of Texas' top trainers, in a partial ownership venture where you can watch your horses race at Lone Star Park during the Thoroughbred race meet and at Remington Park in Oklahoma City.

Only (10) units are available in the Claim & Race with JR Caldwell Venture, each for \$10,000.

With the \$100K pool, JR will purchase by claim, two or three quality Thoroughbreds in the \$15K-\$25K claiming range.

These horses will be racing immediately at **Lone Star Park** during the 2023 race meet running April 13 – July 4.

Following the Lone Star Park season, your horses will be shipped to **Remington Park** where they will race during this Thoroughbred race meet which runs from August 19 – December 1.

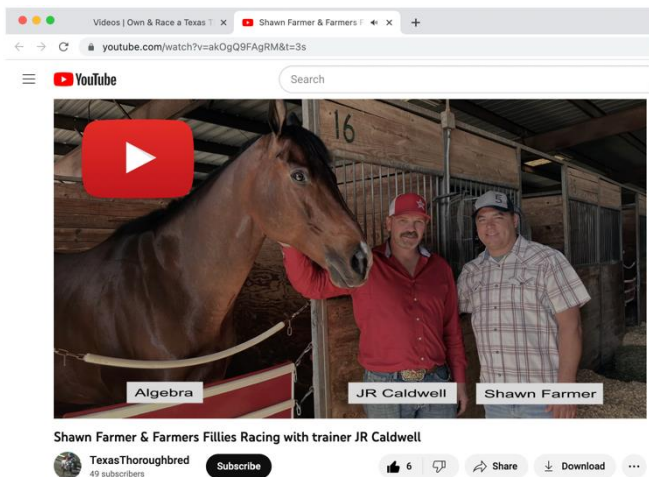

In the \$100K venture pool, \$50,000 is for the purchase of the two or three horses and \$50,000 in training fees from April – December (9 months) to JR Caldwell.

Your cost is capped at \$10,000 and includes all fees and costs for your horses through December 31, 2023.

Following the race meet at Remington Park, JR will offer a plan and proposal to either sell the horses and return funds to the 10-unit holders or present an option to continue racing the horses at Sam Houston Race Park beginning in January.
